### MULDOON VS. DWYER

Arrangements Made by Which the Two Champions Will Meet.

THREE STYLES OF WRESTLING  
An Even Break Between Them.  
Sign Papers Here To-day.

#### Albemarle Gun Club.

The Albemarle Gun Club will open its season on the New Reservoir grounds next Monday, when the holiday will be observed in a shoot at clay birds. You have no idea what wonders the WANTS ADS. in The Times-Dispatch work until you try them. It pays to be convinced.

The T-D WANTS AD. page is the market place in which all Virginia meets to buy and sell.

House cleaning time has come—read the T-D WANTS for help, and you will not have to work yourself to death.

The season of flowers, MUSIC and gifts will soon be here, and happy will be the home with the glorious Easter Music, but far happier will it be on that day of joy if the music is produced with THE "SWEET TONES STIEFF."

STIEFF'S  
NEW WAREHOUSES,  
307 E. Broad.  
J. E. DUNBAR, Manager.

Arrangements were made, through the sporting editor of The Times-Dispatch last night, by which Mike J. Dwyer and Martin Muldoon will meet in a finish wrestling match, three styles, in this city next week.

The papers will be signed to-day, and Richmonders will see the greatest wrestling match ever pulled off in the United States.

There will be three distinct styles of wrestling—Greco-Roman, in which Muldoon excels; Cornish, in which Dwyer excels; and catch-as-catch-can, in which both men stand equal.

The agreement will state that the first fall is to be Greco-Roman. Then there will be a toss-up for the next fall. After that, if honors are even, will come the third. It is quite likely that all three of the styles will be seen, for the men are so equally matched that it is a toss-up as to the winner.

Muldoon, as a feature with Barnum's circus this season, can't afford to lose if he can help it.

Dwyer, with his host of friends and admirers here, and with a prospective class in Norfolk, cannot afford to lose if he can help it, so that the match will be one to a finish, with the best man to win in any event.

FINE MATCH EXPECTED.

Muldoon will be in Richmond for two weeks. Dwyer goes from here to Newport News, where he will meet Benny Jones on launching day. Then he will return to train for his big match with Muldoon.

Mr. Dwyer said last night that he did not want any of his pupils to put up any bets on him, and any statement to that effect was wholly unauthorized by him. He stands ready to make any bet himself.

The match will be pulled off next week, the day to be named when the papers are signed to-day.

Both men feel confident, but they each say the other man is good, and that there is no sure thing as to the result.

It is quite safe to say that this match will prove the most interesting of any that has been seen in Richmond.

### UNIVERSITY PRESIDENCY

Dr. Alderman and Prof. Page Mentioned for the Place.

The board of visitors of the University of Virginia will at the meeting on April 15th positively elect a president of the University, the first in the history of the University. The only names prominently mentioned in connection with the position are those of Dr. Edwin A. Alderman, president of Tulane University, New Orleans, and Dr. J. M. Page, of the faculty of the University of Virginia. As forecast some time ago by The Times-Dispatch, Dr. Alderman is considered the more likely to be selected for the place, though either would be satisfactory to a large number of University men.

Dr. Alderman is said to have more supporters at this time than any other man mentioned for the place. He is well known in Richmond, where he has spoken publicly several times, notably at the meeting of the Richmond alumni of the University and at the Curry memorial exercises.

His work for the University of North Carolina, and that at Tulane are both highly spoken of, and both schools are said to have prospered under his executive direction.

BUSINESS MEN MEET

Conference of Wholesale and Retail Merchants To-Night.

There will be a meeting of business men to-night at 8:30 o'clock at T. P. A. headquarters, Third and Main Streets, to which all business men, whether retail or wholesale merchants or manufacturers, are invited, and urged to attend.

The object of the meeting is to hear the report of the special committee appointed at a former meeting, and to take steps to further perfect the plan under consideration for the betterment of Richmond.

Considerable interest is being manifested in this movement, and some well defined suggestions will be submitted. Brief talks will be made and methods outlined whereby all business men may be interested in promoting the general welfare of Richmond. Several well known and prominent business men will make short talks, and a large attendance is desired.

Refreshments will be served during the evening.

PAY POLL TAXES.

Voters Have Until May 7th to Qualify Themselves to Vote.

Registered voters who have not paid their poll taxes for the year 1903 will not be permitted to participate in the congressional election on May 7th, unless they pay up by May 7th, 1904.

The constitution requires the payment of all capitation taxes at least six months prior to the election at which the person desires to vote, and as the congressional elections this year will take place on November 7th, the last day on which the taxes can be paid will be May 7th.

Those who paid up in order to qualify themselves to vote in the municipal elections, which take place in June, will not have to pay again in order to vote in the congressional election, but there are a large number of citizens in this city who did not avail themselves of this opportunity, and they may as so any time between now and May 7th.

SENTENCE BROWN TO-DAY  
No Move Has Yet Been Made for His Parole.

is fine at catch-as-catch-can, but yields the palm to Muldoon in Greco-Roman style.

and sentenced to one year in the penitentiary, in conformity with the verdict of the jury which tried the case.

So far as can be learned no steps have been taken looking to a pardon or commutation of sentence for the defaulting life insurance cashier, and Governor Montague said last night that he had received no petition on the subject. It is doubtful if his Excellency will be asked to move in the matter, but on the other hand, it looks as if Brown will serve out his term, which is regarded as light punishment for the crime.

The man has a great many strong friends, however, and they may determine to try to get his sentence commuted to confinement in the city jail.

DON'T FOOL WITH A COLD.

(From the New York Sun.)

We must repeat our warning against pneumonia, the most dangerous disease that prevails in this city, and which is extraordinarily prevalent at this time.

Be on the guard at all times against taking cold. Look out for it if you take Gladstone used to go to bed and send for a doctor whenever he had a cold, and consequently he got well in a very short time—The "Sun" is right, and their warning should be heeded.

For colds there is nothing better than Chamberlain's Cough Remedy. It prevents any tendency of a cold toward pneumonia. It always cures and is pleasant and safe to take. For sale by all druggists.
